## HOW IT WORKS

1. If you have models to sell, we will do our best to sell them for you. Please help us by offering for sale only model railway equipment or scenic items made to the conventional model railway scales
2. For reasons of space we are unable to accept
  - a. Magazines, whether for sale or free distribution,
  - b. Videos
  - c. 240v mains electrical equipment
  - d. Non model rail items
3. This is a Word document: Excel forms can be obtained from Paul Ebberson at paul.ebberson@gmail.com.
4. Please fill in only the unshaded cells. (You can email computer lists to the address below in advance and this will help our planning for the sale).
5. Please fill in with
  - your initials - top right-hand cell, page 1 - and repeat them for each item:
  - a brief description,
  - the asking price, say £5,
  - b. your lowest acceptable price for each item. (Please give an acceptable price, lower than the asking price, which you will accept).
6. **Each item we receive must be clearly marked with the Item Number and Asking Price.**

The Club can't be held responsible for misunderstandings if labelling is not clear.
7. All items below £5 are sold as seen. For items £5 or above Sellers assume responsibility for the quality of the items they are selling. Any item with moving parts (locos, rolling stock, points etc) priced above £5 must be labelled clearly if it is not in proper working order.
8. **Two copies** of the signed form listing items are required with the goods. (hint: print only the pages you want!)
9. We will do all we can to make effective sales for you. All goods accepted for the Bring & Buy stall will be displayed, but bear with us if from time to time we have to prioritise and hold back slow-selling items or those with limited appeal.
10. High Wycombe and District Model Railway Society charges 10% commission on proceeds to club members, 12.5% to others.
11. Large sales (more than 10 items): We need these as early as possible, so boxed-up items for sale, together with the duplicate lists, can be handed over to Paul Ebberson:  
**Wed Oct 9,16,23,30**, 7.00 – 9.30pm, in the Clubroom OR  
**Fri Nov 1**, 6.30 – 8.00, at Cressex Community school  
Small sales (up to 10 items) can be received up to 8.30 on the morning of the exhibition but please tell us beforehand.  
If you cannot make these times please text Paul Ebberson on 07593303139 or e.mail [Paul.Ebberson@gmail.com](mailto:Paul.Ebberson@gmail.com) to make other arrangements.
12. Unsold items must be collected from the exhibition on the Saturday afternoon by 5.00, otherwise the High Wycombe and District Model Railway Society will assume ownership of the items.
13. Unsold items will be checked back with our records to make sure all sales are properly accounted for.
14. Your "account" will be agreed with you after the exhibition closes. Payment will be made by cheque made out to you and delivered to the Club Rooms or (at extra cost) posted to you.
